SUMMARY REPORT OF INVESTIGATION¹

I. EXECUTIVE SUMMARY

Date of Incident:	July 9, 2017
Time of Incident:	Approximately 11:30 a.m.
Location of Incident:	██████████ Avenue; 5055 W. Wolfram Street Chicago, IL
Date of COPA Notification:	July 9, 2017
Time of COPA Notification:	12:36 p.m.

On July 9, 2017, Officers Lopez, Nunez, Ramos and Summers responded to ██████████ accompanied by ██████████ and ██████████ whose son, ██████████ (Mr. ██████████) was allegedly not allowing his wife and son to leave their apartment. The officers were informed by ██████████ that Mr. ██████████ was armed with a handgun. When Officers Lopez, Nunez, Ramos and Summers arrived at ██████████ and ██████████ entered the apartment.² The officers, standing outside the apartment, attempted to talk to Mr. ██████████ through an apartment window on the first floor. Within 10 minutes of the arrival of responding officers, ██████████ and ██████████ Mr. ██████████ wife, ██████████³ and Mr. ██████████ and ██████████ son exited the apartment and relocated to the alley north of the residence. Mr. ██████████ remained inside the residence.

Officer Lopez continued speaking with Mr. ██████████ through the apartment windows asking him to come out and go to the hospital for observation. A CPD supervisor was requested and responding supervisor, Sergeant Keeney was briefed on the situation and initiated a call to the Special Weapons and Tactics (SWAT) unit for a hostage, barricade, and terrorism (HBT) to respond to the incident. After SWAT was contacted, Officer Lopez took a position near his squad car near 2714 N. Leclaire, Additional responding officers, Cwik and Rowe, took position in the east alley between Parker and Diversey, Officer Mieszcak backed his squad into the west alley between Parker and Diversey, and Officers Nunez and Summers moved to their squad at Parker and Leclaire awaiting SWAT.

¹ On September 15, 2017, the Civilian Office of Police Accountability (COPA) replaced the Independent Police Review Authority (IPRA) as the civilian oversight agency of the Chicago Police Department. Therefore, this investigation, which began under IPRA, was transferred to COPA on September 15, 2017, and the recommendation(s) set forth herein are the recommendation(s) of COPA.

² The officers on scene did not enter the apartment.

³ ██████████ was the wife of ██████████ and for this report will be referred to as ██████████ although some individuals identified her as ██████████. Additionally, IPRA interviewed ██████████ at the southwest corner of Diversey and Leclaire on July 9, 2017. ██████████ told Investigators Kalantzis and O'Boyle that she did not wish to give a statement to IPRA. She stated that she already gave a statement to the police department and that the police "had to do what they had to do."

Within a few minutes, Mr. [REDACTED] came out of the residence, pointed a gun at Ofc. Lopez, who was on the west side of Leclaire near 2740 N. Leclaire and fired one round at Ofc. Lopez. Mr. [REDACTED] started to run north on Leclaire, then turned around and started to run south, and then again changed directions to run north on Leclaire. The second time Mr. [REDACTED] ran north on Leclaire, he ran past the opening of the alley north of the apartment. As he did, Sgt. Keeney fired one round at him. Mr. [REDACTED] continued to run north on Leclaire; he turned east on Diversey, continued approximately mid-way down the block, on the north side of the street, and entered a vacant lot at 5028 W. Diversey. He then ran north toward the alley between Diversey and Wolfram.

Multiple officers searched for Mr. [REDACTED] in the area surrounding Leclaire, Diversey, and Wolfram. The Office of Emergency Management and Communications (OEMC) received a call indicating a man with a gun was in the backyards between 5043-5055 W. Wolfram. There were also reports that the subject was jumping from one roof to another.

Sgt. Rios responded to the scene and while searching the area on Wolfram observed Mr. [REDACTED] in the backyard at 5055 W. Wolfram. Sgt. Rios ordered Mr. [REDACTED] to drop the gun in his hand. Initially Mr. [REDACTED] had his hands raised and Mr. [REDACTED] started to walk toward Sgt. Rios. However, Mr. [REDACTED] then suddenly lowered his arm and fired one round at Sgt. Rios. Sgt. Rios took cover by moving toward the front of 5053 W. Wolfram.

Additional officers arrived at the scene and located Mr. [REDACTED] in the basement stairwell at the rear of 5055 W. Wolfram. Sgt. Kravitz was in the front of the residence at 5053 W. Wolfram, while Ofc Rodriguez, Ofc. O’Kane, and Ofc. Ramos were in the backyard at 5055 W. Wolfram. Ofc. Seng was in the alley behind 5055 W. Wolfram and Ofc Hardt and Ofc. Trakes were in the backyard at 5053 W. Wolfram. Multiple officers gave Mr. [REDACTED] verbal commands to drop his weapon and come out of the stairwell with his hands up. After several minutes, Mr. [REDACTED] came out of the stairwell and started to move north into the gangway. Mr. [REDACTED] turned and pointed a handgun at Officers Rodriguez, O’Kane, Seng, and Dwyer in the backyard of 5055 W. Wolfram; Sgt. Kravitz and Officers Rodriguez, Seng, and Hardt fired and Officer O’Kane attempted to fire at Mr. [REDACTED]. Sgt. Kravitz fired one round at Mr. [REDACTED] when Mr. [REDACTED] pointed his weapon at the officers in the backyard between 5053 and 5055 W. Wolfram.⁴ Ofc. Rodriguez fired one round while on the walkway in the backyard of 5055 W. Wolfram. Ofc. O’Kane rose to a standing position approximately five feet west of the walkway, in the backyard, and pressed his trigger, but his firearm did not discharge. Ofc. Seng, who was in the alley behind 5055 W. Wolfram facing north, fired three rounds from the alley. Ofc. Dwyer fired one round from between the residence at 5053 W. Wolfram and an adjacent fence post.

As Mr. [REDACTED] continued to move north in the gangway, he collapsed approximately ten feet from the front gate. Multiple officers continued to give Mr. [REDACTED] commands as he fell to the ground. Mr. [REDACTED] was searched and handcuffed. Ofc. O’Kane recovered a handgun and turned it over to Ofc. Ramos, who held the weapon until Officer Ramos found an evidence bag. Ofc. Ramos then returned the weapon to Ofc. O’Kane. Mr. [REDACTED] was transported to Community First Medical Center where he was pronounced dead.

⁴ The officers in the two yards believed [REDACTED] pointed the weapon at them.

██████████ in her statement on July 9, 2017 said her son called her on the phone about the police activity outside. She came out of the house and heard officers yelling at someone to “drop the gun,” “get down,” then she heard between six and eight shots, and saw the police run toward a house to the east of her. The police then started to put up the yellow tape.

██████████ in a recorded interview on July 9, 2017 said he heard the police yelling, ██████████ said he believed the officers were saying things like: “be careful,” “they went that way,” “he went this way,” “stop, and “you got it.” He heard eight gunshots, a sequence of two shots, a pause then 4 shots, and a pause then two more shots.

██████████ on July 9, 2017 said that he was working in his yards when he saw the police arriving. Mr. ██████████ started to talk to his neighbor and when he saw the police running toward a house east of his location he took out his cell phone and started recording the incident. Mr. ██████████ heard the police telling someone “get down,” and “drop the gun.” Mr. ██████████ heard 4 shots and he believed the police took the person into custody. The police then started to put up the yellow tape. His Facebook recording was downloaded by CPD technicians.

Ms. ██████████ slowed her vehicle and looked around and saw a man that appeared to have been running from Diversey to the alley between Diversey and Wolfram. It appeared the man entered the alley through a parking lot. When Ms. ██████████ saw him, she noticed a silver gun in his right hand. Ms. ██████████ said he never raised the gun toward her, but she accelerated to Leclaire and then turned south on Leclaire. Ms. ██████████ said she heard more than three shots with pauses in between shots. Ms. ██████████ turned west on Diversey and contacted the police after she returned home.

██████████ in a recorded statement on July 9, 2017, said she saw a man enter her backyard and attempt to get into her garage. the man fire another shot, but she could not see where he was shooting. During that time, Ms. [REDACTED] heard several voices she described as furious yelling but did not understand what was said because she does not speak English. Ms. [REDACTED] ran to the bathroom and locked herself inside because she was afraid the man was going to try to enter the residence. While in the bathroom, Ms. [REDACTED] heard several more shots that she described as coming from different guns. After Ms. [REDACTED] no longer heard the commotion, she went upstairs to her husband's cousin's residence. Ms. [REDACTED] saw the police and calmed down. Her husband's cousin told her that the police had him in custody. (Att. 32, 202)

[REDACTED] in a recorded statement on July 9, 2017 said he was an off-duty Chicago Police Officer. Officer [REDACTED] received a phone call from his neighbor from two houses east of his residence, Ms. [REDACTED] who told him there was a man with a gun trying to get into her house. Officer [REDACTED] went into his backyard and, as he turned to look through his fence facing east, out of the corner of his eye he saw something jump across from the rooftop east of him onto his roof. When Officer [REDACTED] turned north toward his home he saw a subject, now known to be Mr. [REDACTED] standing on his roof pointing a silver or chrome handgun at him. Officer [REDACTED] told Mr. [REDACTED] to drop the weapon several times, when he heard sirens Officer [REDACTED] told Mr. [REDACTED] to run because Officer [REDACTED] was unarmed and believed if he told Mr. [REDACTED] to run, Mr. [REDACTED] would flee rather than fire at Officer [REDACTED]. Mr. [REDACTED] ran and jumped off the roof into the backyard to the west of Officer [REDACTED] residence. Officer [REDACTED] attempted to keep an eye on Mr. [REDACTED] through the slight openings between slats on the fence to determine a direction of travel. Officer [REDACTED] saw Mr. [REDACTED] facing south toward the alley. Mr. [REDACTED] then turned to face north and took a couple of steps northward. At some point, shortly after Mr. [REDACTED] landed in the backyard adjacent to Officer [REDACTED] residence, Officer [REDACTED] heard a shot that he believed was discharged by Mr. [REDACTED]. As he heard officers arriving on the scene, Officer [REDACTED] was verbally directing officers, as well as pointing to the area he last saw Mr. [REDACTED]. Officer [REDACTED] entered his residence to retrieve keys to unlock his gates and allow officers access to his backyard. After opening his gates, Officer [REDACTED] went into his residence. After reentering his residence, Officer [REDACTED] heard yelling to the effect of, "He's back here." "Drop the gun." Approximately 2-3 minutes later, he heard four or five more gunshots in his west gangway. Shortly thereafter, Officer [REDACTED] exited his residence and saw officers starting to put up crime scene tape; he returned to his residence.

[REDACTED]²⁰ mother of Mr. [REDACTED] was interviewed at the southwest corner of Diversey and Leclair on July 9, 2017, by IPRA. [REDACTED] told Investigator Kalantzis and O'Boyle that the incident started approximately at midnight when she received a text from [REDACTED] which she did not read at that time. [REDACTED] then called her at approximately 2:00 a.m. and when [REDACTED] answered the phone was hung up. Shortly thereafter, [REDACTED] texted [REDACTED] asking what was going on. [REDACTED] responded with a text saying Mr. [REDACTED] had a gun and did not want to live. [REDACTED] asked [REDACTED] to come over. Mr. [REDACTED] called [REDACTED] and told her everything was fine and that he only had a BB gun. [REDACTED] told him to stop scaring [REDACTED] and to go get help or rehab. [REDACTED] explained that Mr. [REDACTED] was a recovering heroin addict and that when she last saw him on July 4, 2017, he looked good and did not appear to be using drugs. [REDACTED] sent Mr. [REDACTED] a

text message asking him if everything was ok, Mr. ██████ replied that he did not want to talk. ██████ told IPRA investigators of the following text exchange between ██████ and herself: ██████ said that Mr. ██████ wanted to leave, ██████ responded where would he go, and ██████ responded that Mr. ██████ wanted to leave this life.

██████ said that Mr. ██████ in the past had become suicidal and aggressive when he was angry. ██████ said she told the police of Mr. ██████ suicidal ideation and his aggressive behavior when she went to the police department to ask for assistance. When ██████ arrived at Mr. ██████ house with the officers, the officers told her to go in first. ██████ thought the officers were going to follow her in with tasers. During the interview with IPRA, ██████ was told that Mr. ██████ was dead. ██████ became distraught and angry after being informed of her son's death. ██████ said the police did not listen to her and ended the interview saying she needed time before she could be formally interviewed.

██████ was interviewed on July 11, 2017, at Fred's Auto Repair located at 5023 W. Diversey. Mr. ██████ said he was standing near the door in the front of the building waiting for his shift to end when he heard shots being fired at around 12:00 p.m. At about 12:05 p.m., Mr. ██████ saw a male running east on Diversey with a silver gun in his right hand. Mr. ██████ described the male as Hispanic. Mr. ██████ said the male was on the north side of Diversey and then ran north through the vacant lot by Ramon & Ramon Auto Repair located at 5024 W. Diversey and when the male reached the alley he ran west in the alley. Mr. ██████ said he heard two groups of shots. ██████ believed the first group of shots came from the area of Leclaire south of Diversey and then he saw the man run past. Within 10 minutes he heard more shots coming from the area north of Diversey near Leclaire.

██████ was interviewed on July 11, 2017, at his residence. Mr. ██████ said he saw the ██████ family pull up to the residence. A few minutes later Mr. ██████ saw the family leave the residence and the police put them in a squad car. Mr. ██████ saw the police, across the street from his apartment window. Mr. ██████ said the police were at 2741 N. Leclaire, standing outside talking to a man, Mr. ██████ through the open windows of the man's apartment. Mr. ██████ saw Mr. ██████ exit the building. Mr. ██████ described Mr. ██████ as wearing blue shorts; he said he did not see anything in Mr. ██████ hands. ██████ said he saw and heard an officer outside his building point and fire at Mr. ██████ as Mr. ██████ ran north on Leclaire. Mr. ██████ then saw and heard another officer in the alley on the east side of Leclaire fire at Mr. ██████ as Mr. ██████ ran north. When asked to explain what he saw the officer in front of his residence do, Mr. ██████ said he saw the officer with his hands pointing at a 45° to a 90° angle from the ground and point a firearm toward Mr. ██████ as Mr. ██████ ran. Mr. ██████ originally said he saw the officer discharge his weapon and later was less sure about seeing the officer discharge his weapon.

██████ was interviewed on July 13, 2017, at her apartment. Ms. ██████ said she lived there for about three months and had spoken with Mr. and Mrs. ██████ casually. Ms. ██████ said the Mr. and Mrs. ██████ had ongoing domestic problems since Ms. ██████ moved into the

apartment. Sometime in June, Ms. [REDACTED] said she was speaking with a neighbor whose name she could not recall, later identified as [REDACTED] and was told if she saw [REDACTED] boyfriend (Mr. [REDACTED]) not to let him in the building. [REDACTED] said she had a restraining order against him. On July 9, 2017, Ms. [REDACTED] heard the Mr. and Mrs. [REDACTED] arguing. Around 8:35 a.m., Ms. [REDACTED] was in her kitchen making breakfast for her daughter when she heard the arguing and a toddler child crying. Ms. [REDACTED] heard [REDACTED] tell Mr. [REDACTED] to “leave me alone,” “get off me,” and “stop.” [REDACTED] came out on the back porch and threw her car keys to Ms. [REDACTED]’s boyfriend, [REDACTED] who was outside at the time. Mr. [REDACTED] came out to the porch and took the child back into the apartment, [REDACTED] followed. Ms. [REDACTED] described [REDACTED] as looking like she was overwhelmed, tired, and like she had been crying. Ms. [REDACTED] described Mr. [REDACTED] as looking angry. A short time after Mr. and Mrs. [REDACTED] went back into the apartment, they started arguing again. Approximately twenty minutes later, Ms. [REDACTED] had [REDACTED] give [REDACTED] her car keys. Ms. [REDACTED] said about thirty-five minutes after that, she heard Mr. and Mrs. [REDACTED] apartment door shut. Ms. [REDACTED] heard two gunshots. Ms. [REDACTED] said she heard the first shot and then 3 to 5 seconds later the second shot. Ms. [REDACTED] said they sounded the same. Ms. [REDACTED] looked outside and saw an officer in front waving to an officer in a white shirt in the alley and that the white shirt officer in the alley had his weapon in his right hand at his side which concluded her original statement. After the recorder was stopped, Ms. [REDACTED] began to give more information. The recorder was restarted, and Ms. [REDACTED] said a few weeks prior, [REDACTED] confided in her that Mr. [REDACTED] was addicted to heroin and Mr. [REDACTED] stole [REDACTED] money to buy heroin. [REDACTED] further explained that when he does not have the drug, Mr. [REDACTED] “goes crazy.” Ms. [REDACTED] said [REDACTED] saw Mr. [REDACTED] running around one time just acting crazy. [REDACTED] would throw Mr. [REDACTED] out and Mr. [REDACTED] would be banging on their window asking them to let him into the building. However, Ms. [REDACTED] never personally saw Mr. [REDACTED] using drugs.

[REDACTED] [REDACTED] was interviewed on July 16, 2017, at his residence. Mr. [REDACTED] stated he was standing across the street with [REDACTED] when a Jeep arrived with police vehicles following. One of the police vehicles pulled up east bound on Parker. As other units arrived, one went into the northeast alley facing west and the other in the northwest alley facing east. The police officers grouped in the alley, the parents ([REDACTED]) went into the building, and about a minute later, came out with the daughter and the toddler. The police put them in a police car, drove them to the end of the block, dropped them off, and came back. Mr. [REDACTED] came to the window and asked the cops where his girl and kid were. The “white shirt” officer was talking, telling Mr. [REDACTED] “to come out with no weapons,” “to keep his hands up,” and that they “just wanted to talk to him.” Mr. [REDACTED] wanted to know “why they were there,” “what he did do wrong?” “Where was his girl,” and “why did they take her?” The “white shirt” told him to come out without a gun, and there would be no problem. The police were in the northeast alley, talking amongst themselves, laughing, and it appeared they were taunting Mr. [REDACTED]. The “white shirt” officer was the only one talking to Mr. [REDACTED]. Mr. [REDACTED] slammed the window screen and went inside. Mr. [REDACTED] came back and opened the screen. He asked again, “why were the police there?” “Why did they remove his girl,” and “what was the problem?” Mr. [REDACTED] was told to “come out,” that “his family was alright,” “don’t bring out any weapons,” and “keep your hands up.” When asked about Mr. [REDACTED] demeanor, Mr. [REDACTED] responded that Mr. [REDACTED] raised his voice, not in anger, but to be heard. After Mr. [REDACTED] closed the screen the second time, about 40-50 seconds later, he came out of the building’s front door, shot the gun in the air, and then ran right past the “white

shirt,” and three other officers. Mr. ██████ stated that the whole situation could have been deescalated. Mr. ██████ stated that tension was high and that the cops seemed as if they already had an attitude and were taunting Mr. ██████ through the window. Mr. ██████ said, “I and I were standing on the corner, and the first thing that came to mind was this kid’s gonna to die today.” According to Mr. ██████ Mr. ██████ came out of the building and shot his gun into the air. Mr. ██████ stated that Mr. ██████ never pointed the gun in anyone’s direction and that it was a small gun. Mr. ██████ took off running within 1 to 2 feet of the police officers. The officers began drawing their guns and saying, “get down, shots fired.” As soon as Mr. ██████ hit the alley, Mr. ██████ heard bangs. Mr. ██████ went east toward Lavergne and none of the officers had their weapons out. The officers did not expect Mr. ██████ to come out and when Mr. ██████ discharged his gun, the officers drew their guns and chased him east into the alley. Mr. ██████ believed the officers could have shot Mr. ██████ in the leg as Mr. ██████ was going east in the alley. ██████ heard the sergeant say, “Don’t shoot him here.” Mr. ██████ stated two or three people were recording the incident. Mr. ██████ could not identify any of the people recording the incident. Mr. ██████ said the people who were recording were stopped at Lavergne and not allowed to cross Diversey; they were only letting police through. Mr. ██████ said he saw the officers on the south end of the building shooting at Mr. ██████ as he ran. Mr. ██████ got on his bike, followed, and heard six or seven more shots; he saw Mr. ██████ lying in the alley between Wolfram and Diversey.

Mr. ██████ spoke with Mr. ██████ before the police arrived on the day of the incident asking Mr. ██████ how it was going. Mr. ██████ said Mr. ██████ was depressed for a while and that he was on drugs same as all the other kids. Mr. ██████ stated that Mr. ██████ was involved in street gangs, had no love, no family support, no morals, and no ethics. Mr. ██████ said Mr. ██████ was on dope: “heroin, China white, blow. I don’t he think he was shooting it, but he tooted it a lot.” Mr. ██████ thought the cops could have deescalated the situation. Mr. ██████ did not think Mr. ██████ should have died “the kid was crying for help for a while.”

Witness Officer Statements

On July 20, 2017, **Ofc. Vita Zadura # 12951²⁵** was interviewed at IPRA. Ofc. Zadura stated she was working Beat 1572 with her partner Ofc. Leuenberger on July 9, 2017. Ofc. Zadura heard a radio call that an officer was being shot at and she responded to the scene with her partner. They drove east on Diversey and parked at Diversey and Leclaire. Ofc. Zadura activated her bodycam a few moments before they arrived, exited the vehicle, and started to cross the street. As Ofc. Zadura was walking across Leclaire to the east side of the street, she heard an undetermined number of gunshots. Ofc. Zadura took cover behind a squad car that was parked on the west side of Leclaire at Diversey. Ofc. Zadura heard someone say, “He’s down.” Ofc. Zadura walked toward the alley between Diversey and Wolfram. Ofc. Zadura stopped before arriving at the alley and then waited for further instructions. The detectives on scene reviewed her body cam.

On July 28, 2017, **Ofc. Daniel Trakes # 7586²⁶** was interviewed at IPRA. He stated that he was working Beat 1565D on July 9, 2017, as part of the 15th District tactical unit. Ofc. Trakes and his partner, Ofc. Hardt, responded to the call of shots fired at and by the police. Ofc. Trakes

responded to the 5000 block of West Wolfram because the radio traffic was directing them to that area. The man who fired at the police, Mr. [REDACTED] was supposed to be in the area. When they arrived, Ofc. Trakes parked on Wolfram four or five houses east of 5055 W. Wolfram. Ofc. Trakes and Ofc. Hardt exited their squad car. Ofc. Trakes saw other officers heading to a gangway, two or three houses east of 5055 W. Wolfram. Ofc. Trakes and Ofc. Hardt climbed a fence into the backyard adjacent to 5055 W. Wolfram. When Ofc. Trakes and Ofc. Hardt attempted to climb the next fence, into 5055 W. Wolfram, officers in the backyard with Ofc. Trakes and Ofc. Hardt told them not to climb the fence because the subject that fired at the police was on the other side of the fence. Ofc. Trakes heard officers telling Mr. [REDACTED] several times to drop the gun. Ofc. Trakes heard at least four gunshots. After the gunshots subsided, Ofc. Trakes helped his partner over the fence, and Ofc. Trakes went around to the front of the building east of 5055 W. Wolfram. Ofc. Trakes never saw Mr. [REDACTED] until he passed the gangway at 5055 W. Wolfram; he never saw Mr. [REDACTED] with a gun in his hand. When Ofc. Trakes passed the gangway, he saw an officer with a cleared weapon²⁷ that Ofc. Trakes believed belonged to Mr. [REDACTED]. When Ofc. Trakes met back up with his partner, the supervisor, Lieutenant Stack, asked who discharged their weapons. Ofc. Trakes found out his partner was one of the officers who discharged their weapon. Ofc. Trakes was equipped with a bodycam but forgot to turn it on until after the incident was over.

On August 1, 2017, **Ofc. Patrick Dwyer #12057²⁸** was interviewed at IPRA. Ofc. Dwyer said he was working Beat 2515 alone on July 9, 2017. Ofc. Dwyer said he responded to the call of shots fired and drove to the area of Leclair and Wolfram. When Ofc. Dwyer exited his vehicle, he saw officers congregating near 5059 W. Wolfram. Ofc. Dwyer entered the gangway between 5055 and 5059 W. Wolfram. Ofc. Dwyer climbed a fence into the backyard at 5055 W. Wolfram, where he was told Mr. [REDACTED] was located. Officers O’Kane and Rodriguez were in the backyard, when Ofc. Dwyer entered the backyard. After determining Mr. [REDACTED] was in the rear basement stairwell of 5055 W. Wolfram, Ofc. Dwyer along with other officers gave Mr. [REDACTED] verbal commands to drop the gun and come out peacefully. In the backyard, Ofc. Dwyer was between Ofc. O’Kane on his left and Ofc. Rodriguez on his right as they continued to give commands; another officer was behind Ofc. Dwyer later determined to be Ofc. Seng. Mr. [REDACTED] ran out of the stairwell north through the gangway. Mr. [REDACTED] turned back and fired. Officers returned fire. Ofc. Dwyer believed Mr. [REDACTED] fired two shots. The officers in the backyard returned fire. Ofc. Dwyer believed the officers fired about four shots. Ofc. Dwyer believed Officers O’Kane, Rodriguez, Seng, and Sgt. Kravitz fired at Mr. [REDACTED]. Ofc. Dwyer said he did not fire because he did not have a clear line of sight to Mr. [REDACTED]. Mr. [REDACTED] fell face forward and the officers converged toward Mr. [REDACTED]. Ofc. O’Kane picked up the weapon near Mr. [REDACTED] hand and turned it over to Ofc. Ramos. Ofc. Dwyer handcuffed Mr. [REDACTED] and searched him. Ofc. Dwyer recovered a note²⁹ in Mr. [REDACTED] back pocket.

On August 3, 2017, **Ofc. Domnaill O’Kane #12802³⁰** was interviewed at IPRA. Ofc. O’Kane was working Beat 2514 alone on July 9, 2017 and responded to a call of shots fired at police. When Ofc. O’Kane arrived, he parked on Wolfram a few houses east of 5055 W. Wolfram.

After exiting his squad car, Ofc. O’Kane started jogging west toward the area where other officers were located. As he approached the officers, he heard a shot. When he arrived at 5053 W. Wolfram, Ofc. O’Kane was informed that Mr. ██████ shot at Sgt. Rios. Ofc. O’Kane tried to enter the backyard at 5055 W. Wolfram, but the gate was locked. Ofc. O’Kane went to the gangway between 5055 and 5059 W. Wolfram and went south toward the backyard. Ofc. O’Kane encountered Ofc. Rodriguez and then climbed over the fence into the backyard at 5055 W. Wolfram followed by Ofc. Rodriguez. They cleared the backyard³¹ and Ofc. O’Kane climbed the stairs at the rear of the residence because he heard over the radio that Mr. ██████ may have been jumping across rooftops. Ofc. O’Kane did not locate Mr. ██████ on the roof and he could not see Mr. ██████ in the adjacent backyards. Ofc. O’Kane descended the stairs and heard officers asking where Mr. ██████ was located. As Ofc. O’Kane was walking behind the building, he heard noises in the basement area of 5055 W. Wolfram and he saw Mr. ██████ move out and then back into the basement area. Ofc. O’Kane believed Mr. ██████ was agitated because he could hear him saying something but could not make out the words. Ofc. O’Kane alerted the other officers of Mr. ██████ location and started to give Mr. ██████ verbal commands to drop the weapon. Mr. ██████ ran up the steps and Ofc. O’Kane began to rise and move forward, he pressed the trigger on his weapon, but it did not discharge. At that point, Ofc. O’Kane said his vision momentarily became unfocused. When he saw Mr. ██████ running down the gangway Ofc. O’Kane saw the chrome/silver handgun in Mr. ██████ hand. Mr. ██████ ran down the gangway and Ofc. O’Kane heard three shots. As Mr. ██████ continued down the gangway, he fell forward with the officers in pursuit. Ofc. O’Kane continued to give verbal commands. When Mr. ██████ fell, Ofc. O’Kane told Mr. ██████ to drop the gun and roll to his left. When the officers got to Mr. ██████ Ofc. O’Kane retrieved Mr. ██████ weapon and gave it to another officer³². An ambulance was called for Mr. ██████.

On August 7, 2017 **Ofc. Martain Leuenberger #3259³³** was interviewed at IPRA. Ofc. Leuenberger was working Beat 1572 with his partner Ofc. Zadura on July 9, 2017. He responded to the call of shots fired at the police in the area of Leclair and Wolfram. Ofc. Leuenberger activated his BWC and exited the police vehicle. Ofc. Leuenberger started walking north across Diversey. Ofc. Leuenberger heard three to ten shots that he believed were coming from the area north/northeast of his location. Ofc. ³² Special Order S07-01-04 provides that Firearms and/or property directly related to a firearm (including but not limited to ammunition, expended shell casings, magazines, and holsters) that require fingerprint or DNA processing will not be touched, handled, or removed by any members other than Forensic Services Division personnel unless exigent circumstances requiring immediate removal exists. When the members of the Chicago Police Department entered the gangway between 5053 and 5055 W. Wolfram the consensus, based on their statements, was that it appeared that Mr. ██████ was reaching for the weapon. The officers also indicate that when they reached ██████ he was handcuffed. Ofc. O’Kane said he retrieved the weapon and handed it to another officer. Ofc. Ramos said when he entered the gangway, he saw the gun near Mr. ██████ hand, Ofc. O’Kane retrieved the gun and gave it to him. He attempted to clear the weapon and saw a shell casing jammed in the breach. Ofc. Hardt, who activated his body camera, entered the gangway, after the gun was recovered. There is not sufficient information to determine whether exigent circumstance existed making it imperative to recover the weapon, or if a prudent officer would have allowed the weapon to remain untouched for the forensic services division personnel.

The ISP laboratory report case #C17-014611 lists the items submitted for firearms examination. The .45 caliber bullet recovered from the aluminum fencepost, at approximately 2758 N. Leclair, was fired from Sgt. Keeney's weapon. The fired bullet recovered from Mr. [REDACTED] body was .45 caliber; it could not be identified or eliminated as coming from Ofc. Hardt's weapon. Ofc. Hardt was the only one firing a .45 caliber weapon with eight polygonal lands and grooves. The three bullet fragments removed from Mr. [REDACTED] exhibited polygonal rifling but could not be attributed to or eliminated from any of the Glock firearms fired. The fired bullet recovered in the wooden fence post in the backyard at 5055 W. Wolfram was .40 caliber. It could not be identified or eliminated as being fired from Ofc. Seng's weapon. Ofc. Three bullet fragments recovered, in the gangway between 5053 and 5055 Wolfram could have been fired from any of the Glock firearms. The three Winchester .40 Smith and Wesson caliber casings recovered in the alley behind 5055 Wolfram, were fired from Ofc. Seng's weapon. VI. ANALYSIS

1. Use of Deadly Force

The applicable Chicago Police Department directive is General Order is,⁸⁷ which states that a sworn member is justified in using force likely to cause death or great bodily harm only when he or she reasonably believes that such force is necessary:

⁸¹ Att. #69

⁸² Att. #70

⁸³ Att. #71

⁸⁴ No ISP Report was identified with GSR results

⁸⁵ Att. #72

⁸⁶ Att. #134

⁸⁷ This report references the version of General Order 03-02-03 in effect on July 9, 2017.

1. To prevent death or great bodily harm to the sworn member or to another person, or;
2. To prevent an arrest from being defeated by resistance or escape and the sworn member reasonably believes that the person to be arrested:
 - a) has committed or has attempted to commit a forcible felony which involves the infliction, threatened infliction, or threatened use of physical force likely to cause death or great bodily harm or;
 - b) is attempting to escape by use of a deadly weapon or;
 - c) otherwise indicates that he will endanger human life or inflict great bodily harm unless arrested without delay.

In addition, the use of deadly force is codified under 720 ILCS 5/7-5 (1986). The pertinent part of the statute states that:

... a peace officer, or any person whom he has summoned or directed to assist him, need not retreat or desist from efforts to make a lawful arrest because of resistance or threatened resistance to the arrest. He is justified in the use of any force which he reasonably believes to be necessary to affect the arrest and of any force which he reasonably believes to be necessary to defend himself or another from bodily harm while making the arrest. However, he is justified in using force likely to cause death or great bodily harm only when he reasonably believes that such force is necessary to prevent death or great bodily harm to himself or such other person...

720 ILCS 5/7-5 (1986).

Finally, determinations regarding the potential use of excessive force in the course of an arrest, investigatory stop, or other seizure are properly analyzed under the Fourth Amendment's objective reasonableness standard. The question is whether the officer's actions are objectively reasonable in light of the facts and circumstances confronting them, without regard to their underlying intent or motivation. *Graham v. Connor*, 490 U.S. 386, 397 (1989). See *Estate of Phillips v. City of Milwaukee*, 123 F.3d 586, 592 (7th Cir. 2003). The following factors are instructive in making the determination of whether an officer's use of force is reasonable: (1) "the severity of the crime at issue;" (2) "whether the suspect poses an immediate threat to the safety of the officers or others;" and (3) "whether he is actively resisting arrest or attempting to evade arrest by flight." *Graham*, 490 U.S. at 396 (citing *Tennessee v. Garner*, 471 U.S. 1, 8-9 (1985)). This reasonableness calculation "must embody allowance for the fact that police officers are often forced to make split second judgments—in circumstances that are tense, uncertain, and rapidly evolving—about the amount of force that is necessary in a particular situation." *Graham*, 490 U.S. at 396-97. Consequently, "when an officer believes that a suspect's actions [place] him, his partner, or those in the immediate vicinity in imminent danger of death or serious bodily injury, the officer can reasonably exercise the use of deadly force." *Muhammed v. City of Chicago*, 316 F.3d 380, 383 (7th Cir. 2002) (quoting *Sherrod v. Berry*, 856 F.2d 802, 805 (7th Cir. 1988) (*en banc*) (omitting emphasis)).

2. Preponderance of the Evidence

The applicable standard of proof is a preponderance of the evidence. A preponderance of evidence can be described as evidence that makes it more likely than not that the conduct complied with Department policy. *See Avery v. State Farm Mutual Automobile Insurance Co.*, 216 Ill. 2d 100, 191 (2005) (a proposition is proved by a preponderance of the evidence when it has found to be more probably true than not). If the evidence gathered in an investigation establishes that it is more likely that the conduct complied with Department policy than that it did not, even if by a narrow margin, then the standard of proof has been met.

Sergeant Michael Keeney

There is a preponderance of evidence demonstrating that Sgt. Keeney's use of deadly force was objectively reasonable. Sgt. Keeney was forced to make a split-second judgment—in circumstances that were tense, uncertain, and rapidly evolving—about the amount of force that was necessary.

First, Sgt. Keeney's preexisting knowledge about Mr. ██████ conduct and behavior would lead a reasonable officer to conclude that Mr. ██████ was extremely dangerous. At the time that Sgt. Keeney discharged his weapon at Mr. ██████ Sgt. Keeney had reason to believe that Mr. ██████ had held his wife and child against their will while armed with a handgun. Mr. ██████ actions demonstrated an intent to use the threat of violence against his own family. Additionally, Sgt. Keeney observed Mr. ██████ unstable demeanor during Ofc. Lopez's negotiations with Mr. ██████ to come out of the apartment.

Second, Sgt. Keeney heard a gunshot and then other officers yelling "he's shooting" or "he's shooting at us." Although Sgt. Keeney did not personally observe Mr. ██████ discharge his firearm, a reasonable officer would rely on the representations of his fellow officers at the scene especially when the information provided was corroborated in part by (1) hearing the gunshot and shortly thereafter personally observing the suspect fleeing with a firearm in his hand;⁸⁸ and (2) Mr. ██████ prior conduct and the nature of the call.⁸⁹

⁸⁸ The investigation has clearly demonstrated that Mr. ██████ possessed and brandished the Bersa model 83 handgun recovered near his body after the incident. Numerous officers stated they observed Mr. ██████ with a silver/chrome firearm and their statements were corroborated by multiple independent civilian witnesses. Furthermore, the video recording from 2740 N. Leclair shows Mr. ██████ outside of the residence with an object in his hand.

⁸⁹ All available evidence including forensic analysis of the of the .380 shell casing recovered on the sidewalk in front of the entry way of ██████ and the independent testimony of ██████ demonstrates that Mr. ██████ fired his firearm shortly after exiting the residence. There is a factual dispute between Officers Lopez and Ramos and ██████ regarding whether Mr. ██████ fired his weapon into the air or in the direction of Officers Lopez and Ramos. However, it is undisputed that Sgt. Keeney did not personally observe Mr. ██████ discharge his firearm and therefore it is not a fact or circumstance that may be considered in the objective reasonableness analysis of his use of deadly force. The relevant inquiry is whether based on the facts and circumstances known to Sgt. Keeney at the time he discharged his or her firearm, the use of deadly force was objectively reasonable. As explained above, this investigation has demonstrated that Sgt. Keeney's use of deadly force was objectively reasonable based on the information available to him.

A reasonable officer would conclude under these circumstances that Mr. [REDACTED] had committed a forcible a felony, was attempting to escape by use of a deadly weapon, and would endanger human life or inflict great bodily harm unless he was arrested without delay.⁹⁰ Furthermore, a reasonable officer would conclude that deadly force was the only reasonable option to ensure Mr. [REDACTED] immediate arrest as Mr. [REDACTED] was running away with a gun.⁹¹ Illinois and federal courts have found the use of deadly force against fleeing suspects reasonable under much less dire circumstances.⁹² For these reasons, Sgt. Keeney was within Department policy when he discharged his weapon one time at Mr. [REDACTED]

Sergeant Scott Kravitz

There is a preponderance of evidence demonstrating that Sgt. Kravitz's decision to fire one round at Mr. [REDACTED] in the gangway between 5053 and 5055 W. Wolfram was objectively reasonable. At the time Sgt. Kravitz fired upon Mr. [REDACTED] he had received information indicating that Mr. [REDACTED] had discharged his firearm at the police. A reasonable officer would rely on the representations of his fellow officers and conclude that Mr. [REDACTED] was extremely dangerous and was likely to use deadly force again.

Furthermore, Sgt. Kravitz personally observed Mr. [REDACTED] holding a firearm and turning and pointing it behind him towards the backyard at 5053 W. Wolfram where he reasonably believed other officers were located based on him hearing multiple officers yelling verbal commands at Mr. [REDACTED] to drop the gun. Sgt. Kravitz's recollection of Mr. [REDACTED] pointing a gun towards the backyard is supported by Officers O'Kane, Dwyer, Rodriguez, Hardt, and Seng who all stated that Mr. [REDACTED] turned and pointed a gun in their general direction. Sgt. Kravitz stated that Mr. [REDACTED] then continued heading in his direction and pointed his firearm at him.⁹³ A

⁹⁰ Because Sergeant Keeney's use of force was clearly justified under the second prong of General Order 03-02-03 (III), COPA will not address whether Mr. [REDACTED] reasonably appeared to pose an imminent threat of death or great bodily harm. The Department subsequently modified their use of deadly force policy.

⁹¹ Although not expressly outlined by Department policy, the Fourth Amendment requires an officer provide a warning prior to using deadly force, if feasible. *Tenn. v. Garner*, 471 U.S. 1, 12-13 (1985). Sgt. Keeney stated he discharged his firearm immediately following hearing the gunshot and observing Mr. [REDACTED] running northbound. Sgt. Keeney stated he did not provide any commands to Mr. [REDACTED] prior to discharging his firearm. However, under circumstances, providing a warning to Mr. [REDACTED] was not feasible or practical particularly when Officer Lopez had already previously attempted to negotiate a peaceful end of the encounter with Mr. [REDACTED]. Indeed, Sgt. Keeney lost sight of Mr. [REDACTED] and Mr. [REDACTED] initially, did escape police custody.

⁹² See, e.g., *Simmons v. City of Chicago*, 118 Ill. App. 3d 676, 683 (1st Dist. 1983) (holding that officer was justified in shooting at an escaping robbery suspect because the suspect was believed to be armed and the suspect refused to stop running despite the officer's warning); *LaMonte v. City of Belleville*, 41 Ill. App. 3d 697 (5th Dist. 1976) (finding that a police officer acted reasonably in shooting a suspect where he reasonably believed the suspect had committed a robbery and he ran away from the officer despite an order to stop even when the subject having already been disarmed); *Klein*, 847 F.2d 368 (7th Cir. 1988) (finding that the officers were justified in using deadly force when a suspect they reasonably believed committed a burglary was fleeing in a vehicle)

⁹³ Sgt. Kravitz's assertion that Mr. [REDACTED] subsequently pointed the firearm back in his direction was not corroborated by the other officers' statements. However, the officers at or near 5053 W. Wolfram had different perspectives of the incident which unfolded in a chaotic and rapid fashion. Any inconsistency on exactly where Mr. [REDACTED] was pointing his firearm at the exact moment Sgt. Kravitz discharged his firearm is not material to COPA's finding because the evidence clearly establishes, at a minimum, Mr. [REDACTED] was pointing a firearm at officers in or near the backyard of 5053 W. Wolfram and therefore the use of deadly force was justifiable. Sgt. Kravitz specifically stated that he assumed Mr. [REDACTED] was pointing his firearm at officers in the at or near the backyard of 5053 W. Wolfram when he turned and extended his right arm while holding the firearm. Sgt. Kravitz's assumption was reasonable under the

Bersa .380 handgun was recovered from Mr. [REDACTED] and the fact that Mr. [REDACTED] possessed a firearm was corroborated by a number of independent civilian witnesses and video footage. Under the circumstances faced by Sgt. Kravitz, it was objectively to conclude that that the use of deadly force was necessary to prevent death or great bodily harm to himself and others.⁹⁴ Therefore, Sgt. Kravitz was within Department policy when he discharged his firearm one time at Mr. [REDACTED]

Officer David Hardt

There is a preponderance of the evidence demonstrating that Ofc. Hardt's decision to discharge his weapon one time at Mr. [REDACTED] was objectively reasonable. Ofc. Hardt responded to radio traffic indicating there were shots fired at and by the police in the area of 5000 W. Wolfram and that Mr. [REDACTED] was in that area. Ofc. Hardt indicated that he had received information that Mr. [REDACTED] had fired at the police on two separate occasions. A reasonable officer would rely on the representations of his fellow officers and conclude that Mr. [REDACTED] was extremely dangerous and would likely use deadly force again.

While in the backyard at 5053 W. Wolfram, Ofc. Hardt and other officers gave Mr. [REDACTED] commands to drop the weapon and to come out with his hands up. When Mr. [REDACTED] entered the gangway between 5053 and 5055 W. Wolfram, Ofc. Hardt saw Mr. [REDACTED] point the gun in the direction of the officers in the backyard and at himself. In response, Ofc. Hardt fired one round from an opening between a fence post and the residence at 5053 W. Wolfram. Ofc. Hardt's account of the moments before he discharged his weapon is credible and supported by the statements of other officers. The body-worn camera footage shows Officer Hardt discharging his weapon, albeit during the buffering mode, and the aftermath and the recovery of the weapon in the gangway between 5053 and 5055 W. Wolfram. Under the circumstances faced by Ofc. Hardt, it was objectively reasonable to conclude that the use of deadly force was necessary to prevent death or great bodily harm to himself and others.⁹⁵ Therefore, Ofc. Hardt was within Department policy when he discharged his firearm one time at Mr. [REDACTED]

Officer Efrain Rodriguez, Jr.

There is a preponderance of the evidence demonstrating that Ofc. Rodriguez's to decision to discharge his firearm once at Mr. [REDACTED] was objectively reasonable. Ofc. Rodriguez responded to radio traffic indicating there were shots fired at and by the police and the suspect was pursued into the area of Wolfram and Leclair. A reasonable officer would rely on the representations of his fellow officers and conclude that Mr. [REDACTED] was extremely dangerous and would likely use deadly force again.

While in the backyard at 5053 W. Wolfram, Ofc. Rodriguez and other officers gave Mr. [REDACTED] commands to drop the weapon and to come out with his hands up. Mr. [REDACTED] did not comply with the verbal commands. When Mr. [REDACTED] entered the gangway between 5053 and

circumstances. Moreover, Sgt. Kravitz was not required to wait for Mr. [REDACTED] to point the firearm at him when Mr. [REDACTED] refused verbal commands to drop the gun and Sgt. Kravitz reasonably believed that Mr. [REDACTED] had previously fired at the police.

⁹⁴ Sgt. Kravitz's use of deadly force was also justified under General Order 03-02-03, III (2).

⁹⁵ Ofc. Hardt's use of deadly force was also justified under General Order 03-02-03, III (2).

5055 W. Wolfram, Ofc. Rodriguez saw him point a gun in the direction of the officers in the backyard and potentially at himself. Ofc. Rodriguez fired one round while moving to his left seeking cover from the line of fire from Mr. [REDACTED]. Ofc. Rodriguez's account of the moments before he discharged his weapon is credible and supported by the other officers' statements. Under the circumstances faced by Ofc. Rodriguez Jr., it was objectively reasonable to conclude that the use of deadly force was necessary to prevent death or great bodily harm to himself and others.⁹⁶ Therefore, Ofc. Hardt was within Department policy when he discharged his firearm one time at Mr. [REDACTED].

Officer Erick Seng

There is a preponderance of the evidence demonstrating that Ofc. Seng's decision to discharge his firearm three times at Mr. [REDACTED] was objectively reasonable. Ofc. Seng responded to a call of shots fired at the police and by the police. A reasonable officer would rely on the representations of his fellow officers and conclude that Mr. [REDACTED] was extremely dangerous and would likely use deadly force again.

In the alley between Diversey and Wolfram, Ofc. Seng conducted a systematic search of the backyards from 5000 to 5055 W. Wolfram to locate Mr. [REDACTED] and heard between 2 to 5 shots. When Ofc. Seng entered the backyard at 5053 W. Wolfram, Ofc. Seng looked between the slats of the fence and saw Mr. [REDACTED] in the stairwell of 5055 W. Wolfram. Ofc. Seng exited the backyard at 5053 W. Wolfram via the rear gate and attempted to enter the backyard at 5055 W. Wolfram through the rear gate but was unable to gain entry. Ofc. Seng stood on a trash can that he placed on its side to assist in climbing the fence and had started to climb over the fence when Mr. [REDACTED] came out of the stairwell, pointed the gun at him, and pressed the trigger several times.⁹⁷ Ofc. Seng fired one round in response. Mr. [REDACTED] continued north, turned and pointed the gun at Ofc. Seng and Ofc. Seng discharged two rounds in rapid succession in response. Ofc. Seng's account of the moments before he discharged his weapon is credible and supported by the other officers' statements. Under the circumstances faced by Ofc. Seng, it was objectively reasonable to conclude that the use of deadly force was necessary to prevent death or great bodily harm to himself and others.⁹⁸ Therefore, Ofc. Seng was within Department policy when he discharged his firearm three times at Mr. [REDACTED].

⁹⁶ Ofc. Rodriguez Jr.'s use of deadly force was also justified under General Order 03-02-03, III (2).

⁹⁷ Ofc. Seng's assertion that Mr. [REDACTED] pulled the trigger, but that Mr. [REDACTED] firearm did not discharge is credible and supported by the physical evidence. The weapon recovered from Mr. [REDACTED] was inoperable because the shell casing was inverted in the firing chamber. Ofc. Ramos also specifically stated that he noticed that the firearm was jammed with a shell casing when he cleared it. However, the forensic evidence including recovered shell casings demonstrate Mr. [REDACTED] firearm was operable during the earlier portions of the incident.

⁹⁸ Ofc. Seng's use of deadly force was also justified under General Order 03-02-03, III (2).
